

Supplies

- Brother Stellaire XP2 or comparable machine to embroider and sew, or both
- Feet you will need: - Embroidery foot, J foot, Zipper foot
- 4 different fabrics – one for the pin cushion, one for the hinge, one for the inner bag and one for the outer bag
- 1 – 18” piece of boning, or plastic shipping strap from a box. You could also use a one-liter soda bottle cut to ½”x 18”
- Pacesetter tear-away stabilizer cut to 7”x 9”
- 1 ½ cups of crushed walnut
- 1 piece of 8 ½”x 11” paper...printer paper is fine
- Tape for paper
- Embroidery thread (your choice of color)
- Bobbin thread (white)
- Sewing thread (wind a bobbin with the same sewing thread). The color is your choice
- Embroidery needle size 75/11
- Scissors to trim threads
- Rotary cutter, ruler, and mat
- Heat-erasable pen
- Pins
- Iron, Ironing board

Instructions

- 1) Cut the fabric as follows: One piece 7”x 8” for pin cushion
One piece 4 ½”x 8” for hinge
One piece 9”x 16” for bag lining
One piece 10” x 17” for outer bag (you will embroidery this piece first then cut it down to 9”x16” at a later time. If you choose not to embroider, cut a piece of fabric 9”x16” for the outer bag)
